 - (3) the President should at the earliest feasible date in 2001 convene a conference of heads of state of major illicit drug producing countries, major drug transit countries, and major money laundering countries to present and review country by country drug reduction and prevention strategies relevant to the specific circumstances of each country, and agree to a program and timetable for implementation of such strategies; and

- 1 (4) not later than one year after the date of the 2 enactment of this Act, the President should transmit 3 to Congress legislation to implement a proposed 4 multilateral strategy to achieve the goals referred to 5 in paragraph (2), including any amendments to ex-6 isting law that may be required to implement that 7 strategy.
